

## Mercadien Announces Kyle Neeld, CPA Named to Director

---

Conrad L. Druker, CPA, managing principal of Mercadien, P.C., CPAs, is pleased to announce that Kyle Neeld has been named to director. As a director at Mercadien, P.C., Kyle is responsible for overseeing and reviewing audits, reviews, and compilations, documenting systems of internal controls, performing work paper reviews and preparing financial statements. With extensive experience in the preparation of operational analyses, financial forecasts, and financial feasibility studies, Kyle specializes in working with clients in the nonprofit sector, long-term care and manufacturing industries.

Kyle has experience with governmental, nonprofit and commercial audit engagements and has assisted organizations with acquisition, expansion, refinancing and debt financing of governmentally controlled residential, multi-housing, assisted living and nursing facilities. Furthermore, he has experience in completing arbitrage rebate and verification agent calculations.

He was recently named to the firm's Statement on Auditing Standards Task Force, which addresses and interprets pronouncements impacting the financial reporting of organizations. Kyle also has been involved in designing and implementing the automated financial reporting practices at the firm and has led various training programs to teach other associates about the new systems. As a member of the firm's Audit and Assurance Group, Kyle was part of the team that implemented automated work papers, which standardized procedures and risk-based audit approaches to the firm's financial service engagements.

A graduate of Rider University, Kyle is licensed to practice in the Commonwealth of Pennsylvania and is a member of both the American Institute and the Pennsylvania Institute of Certified Public Accountants. Kyle resides in Newtown, Pennsylvania with his wife and daughter.
