

## Mercadien Donates Hundreds of Toys for Children in Need

---

Philadelphia University's Staff from all levels at The Mercadien Group contributed time, energy and financial resources to help make less fortunate children's Christmas celebration a little brighter. Mercadien is proud to continue the tradition of being an official Toys for Tots drop off site.

"We gathered new, unwrapped toys for this holiday season to share with needy children. We are working together with the U.S Marines, The Marine Toys for Tots Foundation and the Marine Corps League to make a difference this holiday season to those less fortunate than ourselves," said Marguerite Mount, a managing director of The Mercadien Group. This year the Marines hope to help 72 Mercer and Hunterdon county nonprofit organizations by providing approximately 18,000 gifts to needy children locally.

"Mercadien not only invited our clients and contacts to participate, but our staff contributed money and Angela Salzano (head of office services) volunteered to purchase a variety of toys. This year Mercadien raised over \$700 in monetary donations along with hundreds of new, unwrapped toys.

This is the 10<sup>th</sup> year that The Mercadien Group employees participated in and assisted in this campaign.
