

## The Mercadien Group Donates Toys for Children in Need to Toys for Tots Foundation

---

Staff from all levels at The Mercadien Group contributed time, energy and financial resources to help make the holiday season for less fortunate children a little brighter.

“Mercadien is proud to continue the tradition of being an official Toys for Tots drop off site, again this year,” said Conrad L. Druker, CPA managing director of The Mercadien Group.

“Staff helped by donating new, unwrapped toys for this holiday season to share with needy children in the Mercer County area. We are

working together with the U.S Marines, The Marine Toys for Tots Foundation and the Marine Corps League to make a difference this holiday season to those less fortunate than ourselves,” said Marguerite Mount, a managing director of The Mercadien Group.

Mercadien invited our clients and friends to participate and the Mercadien staff stepped up as usual to help support this cause. This year Mercadien raised over \$700 in monetary donations along with hundreds of new, unwrapped toys. The money raised was used to purchase additional gifts to add to what was collected from donations. “We would like to give special thanks to our clients and friends who helped with the toy drive including Whitehead Motors,” added Mount.

This is the 11<sup>th</sup> year that The Mercadien Group has participated in the annual Toys for Tots program.
